2. Total shipments during 1951 amounted to \$39,799,178, with a total weight of 98,652.8 tons. It is expected that figures for 1952 will exceed the volume of 1951 shipments as a number of additional vessels were assigned to the trade by the six foreign flag lines currently operating between the Great Lakes and European ports.

3. The 1951 summary of export shipments from individual Great Lakes Ports follows:

<u>Great Lakes Port</u>	<u>Value</u>	<u>Shipping Wt.</u> (Short Tons)
Chicago, Illinois	\$15,630,019	56,553.7
Detroit, Michigan	9,697,487	12,480.4
Other Michigan Ports	21,665	27.6
Buffalo, New York	406,430	2,525.6
